

## FRIENDS OF THE KIDDIE KLUB VOLUNTEER AS CHAPERONS FOR THE FREE SUMMER MOVIES

Cousin Eleanor's Call for Help Promptly Answered by Women Who Want Kiddies to Have Good Times—Plans for Baseball Game and Starlight Park Outing and Entertainment Going Along Famously.

Mothers of Kiddie Klub members and friends of the Kiddies in general are responding nobly to the call for chaperons for the movie theatres throughout the five boroughs, to see that the little ones have a good time at the movies once a week anyhow.

It just goes to show how much interest is being taken in the project of sending kiddies of the Kiddie Klub to the movies during the summer afternoons. When a call was issued yesterday for volunteers they began coming right in; but there's still lots of work for the mothers who can spare the time to help in entertaining the little folk.

Any mother of any kiddie who has the time to devote to acting as chaperon for one afternoon, for two or three, or any time at all, will be a welcome addition to the cause. The law requires, you know, that children must be properly chaperoned at the movies by one of their parents or an older member of the family. The Evening World Kiddie Klub wishes to have as many chaperons as possible to take care of all the kiddies at the theatre on every free movie afternoon.

We want chaperons: we are getting them, but want more. So the mothers who can spare the time and like the movies are asked to call at Room No. 123, World Building, No. 63 Park Row, and let us know when their services are available for the good work. We are getting along fine on the things at Starlight Park, the Bronx, which are to be held on July 5 and 6. Rehearsals are going ahead and the entertainment part of the program is going to be fine and dandy. So, we are arranging for the athletic sports.

BASEBALL MATCH TO BE A FINE SPORTING EVENT.

Kiddie baseball fans, give attention to this: We want to have a cracker-jack baseball match in the park on Saturday. There's a fine diamond in the grounds and we want to have a cracker-jack baseball match on July 5, 6, and 7. It's up to you baseball kiddies to make baseball a big feature of the outing.

Of course there are going to be prizes for the game and there are going to be other prizes for other athletic events. You kiddies get into shape now for your favorite sport, because there are going to be all kinds of games and you all want to win, don't you? Of course you do. For the baseball tryout, here is what Cousin Eleanor says: The Kiddie baseball clubs of Manhattan and the Bronx will go to Starlight Park on Wednesday, July 5 (next Tuesday) at noon and report to Kid Carney, who's an oldtime baseball player and who's going to take care of you and arrange for the games and the final match. Remember the date, Kiddies! And the hour is noon!

SOME OF THE LADIES WHO WILL BE CHAPERONS.

To return to the movie picture news—here are some of the good ladies who have already volunteered to go to the movies and act as chaperons to the kiddies:

Mrs. G. M. M. of the P. J. Kane Democratic Club has agreed to furnish chaperons for the Empire and Grand Theatres in the Bronx during the entire summer.

Mrs. Anna Naughton, No. 210 East 10th Street, has furnished chaperons on several days at the Winter Garden, No. 158 East 86th Street.

Mrs. Louis Weinstein, No. 1916 2nd Avenue, has agreed to serve each Monday and her daughter each Wednesday during the summer.

Hamilton House, Mrs. G. M. M., has agreed to send a chaperon

to the Florence Theatre each Monday during July and August. Many other settlements are co-operating. The Young Jewish Hebrew Association will supply chaperons for the Manhattan theatres after July 10. Mrs. Mullin Harris Wayne of the Women's City Club has agreed to serve Wednesday during the summer. Mrs. Park Mathewson, Douglastown, L. I., founder of the Queensborough League of Mothers' Clubs and Chaperons of the Child Welfare Committee of the Women's City Club, is communicating with the mothers' clubs and hopes to supply chaperons for all theatres in Queens.

Miss Sarah Clapp of Kips Bay Neighborhood House and her organization will supply chaperons for the Plaza Theatre during the summer. Miss Clara Byrnes, Director of Social Service, Hunter College, says that when the summer school opens July 5 there is certain the students will volunteer.

Mrs. D. DeWalt, No. 451 15th Street, Brooklyn, is very enthusiastic in her support of the plan and is securing chaperons for all Bay Ridge theatres.

Mrs. William P. Mulry, No. 715 Fulton Street, Brooklyn, is communicating with the residents of Flatbush and believes many chaperons will be gained from that source.

Morris Marcus, Deputy Chief Probation Officer of the Children's Court, is working hard and plans to furnish a list of chaperons covering all Manhattan and the Bronx.

The Hebrew Educational Alliance of Brooklyn is delighted with the plan and hopes to furnish all the workers for that section.

Miss Frances Barbark and Miss Madeleine V. Malinow, both of No. 322 Bainbridge Street, Brooklyn, have agreed to serve each Friday at the Normandie Theatre.

Mrs. Edward M. Patterson, No. 201 Alexander Avenue, the Bronx, has secured a number of volunteers for her section.

## HIS FALSE TEETH BIT BOASTER OF FUTURE KIDS

Pride in Fatherhood Yet to Be Proved Drives Neighbors to Battle.

"I want my teeth back, judge," Hyman Schwarzman of No. 4265 Atlantic Avenue, Jamaica, told Magistrate Koenigsbaster in the Jamaica Police Court, when assigned for fighting.

"He has em," pointing to Frank Armes, who lives across the street. "They are a row of 1 good \$35 for."

"I'll be in with em," explained Armes, who said he had no use for the teeth, but didn't want to give them up until assured he wouldn't be bitten again with them. He gave 'em back.

It was disclosed that while a fight was in progress somebody knocked out Hyman's new false teeth. Armes put them in his pocket. Armes admitted they had fought, and said it was over.

their children. "How many children have you?" asked the Court. "None," said Schwarzman. "How many have you?" he asked Armes.

"I haven't any either," he replied. "We started arguing over which would have the best children when we had any." Armes was fined \$5. Schwarzman got off with a warning.

## The Dread Pyorrhea Begins With Bleeding Gums

Pyorrhea's infecting germs cause many ills. Medical science has proven this.

Diseased conditions, which not long ago doctors were unable to trace to a cause, are now known often to be the result of Pyorrhea germs that breed in pockets about the teeth. Rheumatism, anaemia, nervous disorders and other diseases have been traced in many cases to this Pyorrhea infection.

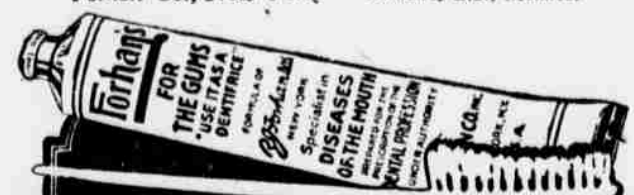

Don't let Pyorrhea work its wicked will on your body. Visit your dentist frequently for tooth and gum inspection.

And watch your gums yourself. Pyorrhea, which afflicts four out of five people over forty, begins with tender and bleeding gums; then the gums recede, the teeth decay, loosen and fall out, or must be extracted to rid the system of poisons generated at their base.

Forhan's For the Gums will prevent Pyorrhea—or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums hard and healthy—the teeth white and clean. Start using it today. If gum-shrinkage has already set in, use Forhan's according to directions and consult a dentist immediately for special treatment.
